

## Online Courses for 2012

Author : buildwebsites

### Announcing my Online Courses for 2012:

It's the start of a fabulous new year, let's learn techniques, tips and tools to help our businesses!

### **WEBSITE, SOCIAL MEDIA, SEO & OTHER COURSES with Teena Hughes**

1. How to do Simple SEO
2. How to Create A Newsletter
3. How to do Simple Social Media
4. How to do Easy Blogging For Your Business
5. How to do Simple Video Marketing
6. How to do Simple Article Marketing
7. How to Publish Your First Ebook
8. How to Create a Podcast for Your Business
9. How To Host A Webinar

The dates and prices for the Online Courses for 2012 will be published very soon, so if you're interested in any of these courses, please fill in the little form to be notified of dates etc.

As I have students from different countries and many timezones, I try to make the times suitable for as many people as possible, so for example you may not be able to join the Simple SEO Course which might be held in June, but the times might suit you better for the Course in October.
